

**Kensing (Vitae Caps S.A.U)**, as a manufacturer of natural products of vegetal origin, establishes the following principles to guarantee the food safety and safety of its products and finally achieve the satisfaction of its customers, providing the market with products that comply with the specific Laws of the Muslim Community and that comply with the HALAL Guarantee Mark.

- When a product is considered HALAL, provide the necessary resources to comply with the Islamic regulations contained in the Koran, in the traditions of Muhammad Prophet and in the teachings of Islamic jurists.
- To ensure compliance with the requirements agreed with customers regarding compliance with the HALAL Guarantee Mark, which includes export requirements and/or external HALAL Standards.
- To have an internal HALAL Quality Representative, who ensures the responsibilities of each member of the organization in terms of compliance with the HALAL Guarantee Mark, including responsibilities regarding ethics and personnel.
- Adequately training and sensitization in all employees who have influence in the manufacturing of a HALAL certified product.
- Preparation of foods certified as HALAL in accordance with established requirements in the Regulations for the use of the HALAL Guarantee Mark of the Islamic Board.
- To comply with the requirements established by the HALAL Certification Entity in its specifications and to submit to a sanctioning regime of the Regulations for the Use of the HALAL Guarantee Mark of the Islamic Board.
- Raw materials for the manufacture of HALAL products must have a Certificate, Declaration, Technical data Sheet or origin that is in accordance with the Regulations for the Use of the HALAL Guarantee Mark of the Islamic Board.
- Manufacturing of HALAL products that do not contain the prohibited ingredients (Haram) listed in the Regulations for the Use of the HALAL Assurance Mark of the Islamic Board.
- Produce HALAL products separately in time and space from prohibited products (Haram) if any.
- All documents needed should maintain correctly updated in the Management System to comply with the Regulations for the use of the HALAL Guarantee Mark of the Islamic Board.
- Products must be correctly labeled and classified as HALAL, as dictated by the Regulations for the use of the HALAL Guarantee Mark of the Islamic Board.
- To comply with the current applicable legislation in the destination country where HALAL certified products are supplied.

For this purpose, Quality Manager signs this Policy, replacing General Manager:
